**HOW TO SUCCEED IN BUSINESS WITHOUT REALLY TRYING** was this year's musical. Its plot centers around Pierrepont Finch, played by Bob Mulvaine, who rises from a window washer to the vice president of the World Wide Wicket Co. Rosemary, played by Wendy Thornton, his secretary in the company who falls in love with Finch at first sight and hopes that he will return her affections. While Rosemary is trying to capture Finch's attention, Hedy LaRue, played by Naomi Radwin, is hired as secretary by Mr. Biggley (Bob Van Riper) who is afraid that Hedy will tell his wife of their affair. Although Hedy also captures Finch's attentions, Finch finally realizes that Rosemary is his true love.

Bob VanRiper as Mr. Bigley

Director Mrs. Galloway

Tryouts for the musical were held September 27 and 28. Practices began on October 3 at the school and were moved to the Palace about a week before the play was produced. A total of almost 300 people were involved in the play including the cast, committee members, and advisors. The play was presented November 10 and 12.

# Homecoming 1977-78

The thirtieth annual Harding Homcoming was a success with the theme being "Star Wars," for the game against Fremont on October 28, 1977.

It all started out by the seniors electing Debbie Atkinson as Homecoming Queen. At the same time the entire student body, including the Harding students attending Tri-Rivers, elected Debbie's court which consisted of Chris Cover, Kit Dangler, Terri Nickels, and Kim Tozer. Being escorted at the assembly by senior football players: Barry Tinerello, Bill Somerlot, Jeff Keeton, Dan Dunlevy, and Paul Beach, the girls were crowned before the student body.

The 1977 Honor Court was made up of Julie Ashworth, Lisa Dunn, Shelia Goodwin, Regina Troutman, and Melinda Wigton who were escorted by Mike Schwartz, Pete Regulas, Tom McGee, Rick McDuffie, and Dave Weiss.

The Queen and the court were again crowned at the game that night. While the Harding Marching Band stood in the shape of a heart, the girls' fathers escorted them onto the field and were later joined by their mothers. Debbie's father spoke of the happiness he felt at this time; then he introduced his daughter "The Queen." Debbie spoke of the honor it was to her to be the 1977 Harding Homecoming Queen and thanked everyone who supported her and the homecoming activities. John Ludwig then sang the sweetheart song to Debbie.

This ceremony was very prestigious and our football followed the same by beating Fremont, 14-12. After the game a reception was held at Fairpark School in honor of the Queen and her court.

Chris Cover, Kim Tozer, Debbie Atkinson, Kit Dangler, And Terri Nickels

Debbie's escort was Barry Tinerello.

# The Force Was With Us

At the game spirit chains decorated the fences. The cheerleaders collected money from the classes and for every five cents collected a link was added. The seniors won this contest by collecting \$163.00, next the juniors with \$141.00, and finally the Sophomores with \$7.00.

This money will help to buy new uniforms for the cheerleaders.

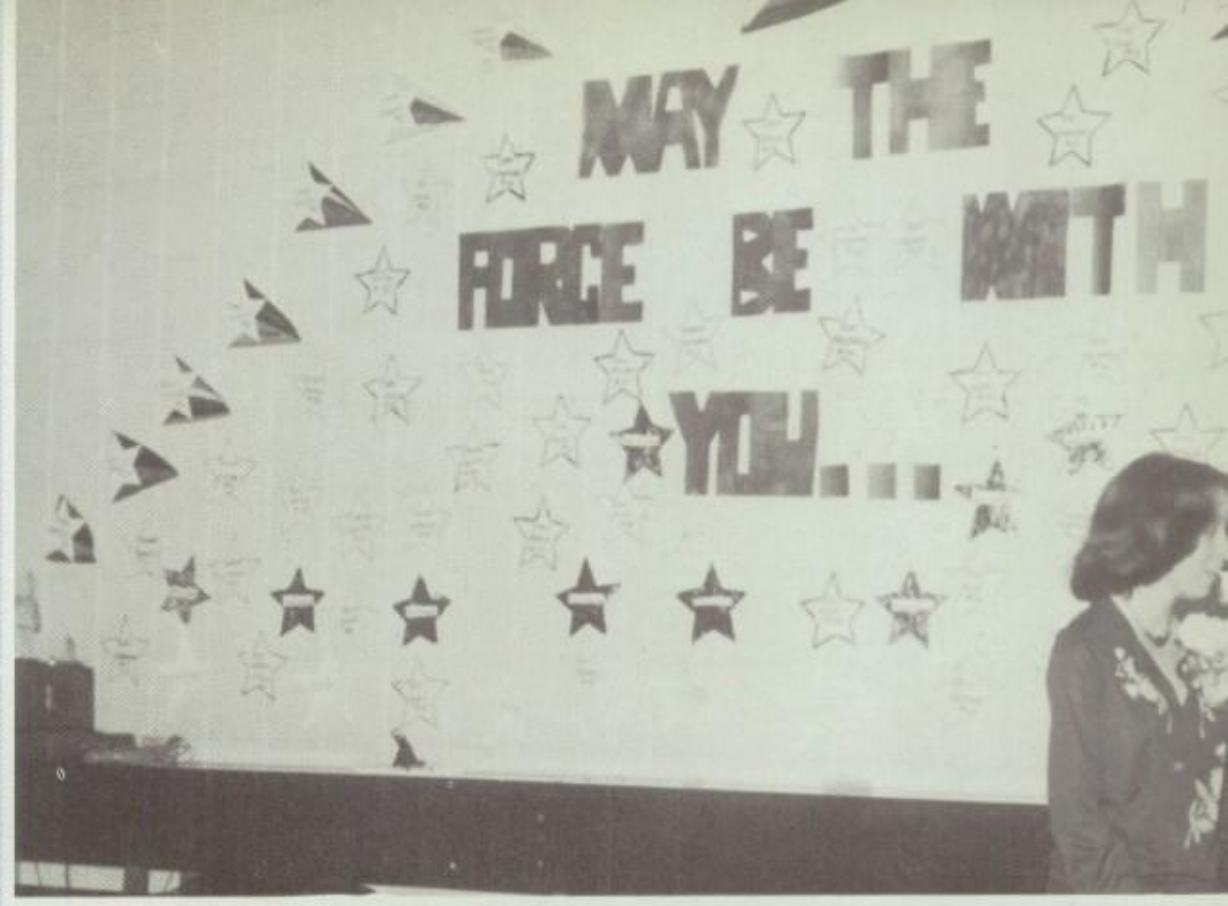

A semi-formal Homecoming Dance on Saturday, October 29, from eight to eleven where the group "Breaking Point" played. The turnout to this was also a success.

# Tri-Rivers

Tri-Rivers Joint Vocational School advanced into its second year as the class of 1978 was enrolled in its senior year. Eleven area schools provide 1,007 total students for the school's enrollment. Junior and senior high school students of all ability levels may enter. Courses are offered in subjects where job opportunities and student interest are greatest. After completing the courses at Tri-Rivers the students will graduate from their own home school. Those schools are Cardington, Elgin, Highland, Marion Catholic, Marion City, Mt. Gilead, North Union, Pleasant, Ridgedale, River Valley, Upper Sandusky. The school covers 70 acres and the building itself is 170,000 sq. feet. Tri-Rivers is located at the corner of the State Route 95 and Pole Lane Road.

# The Buildings

Marion Harding High School was constructed in 1953 to relieve the overcrowdedness in the high school buildings and to place the sophomores, juniors, and seniors under one roof. The reason for this consolidation was brought on because some of the high school students went to Edison and some to what is now the Harding Freshmen Building.

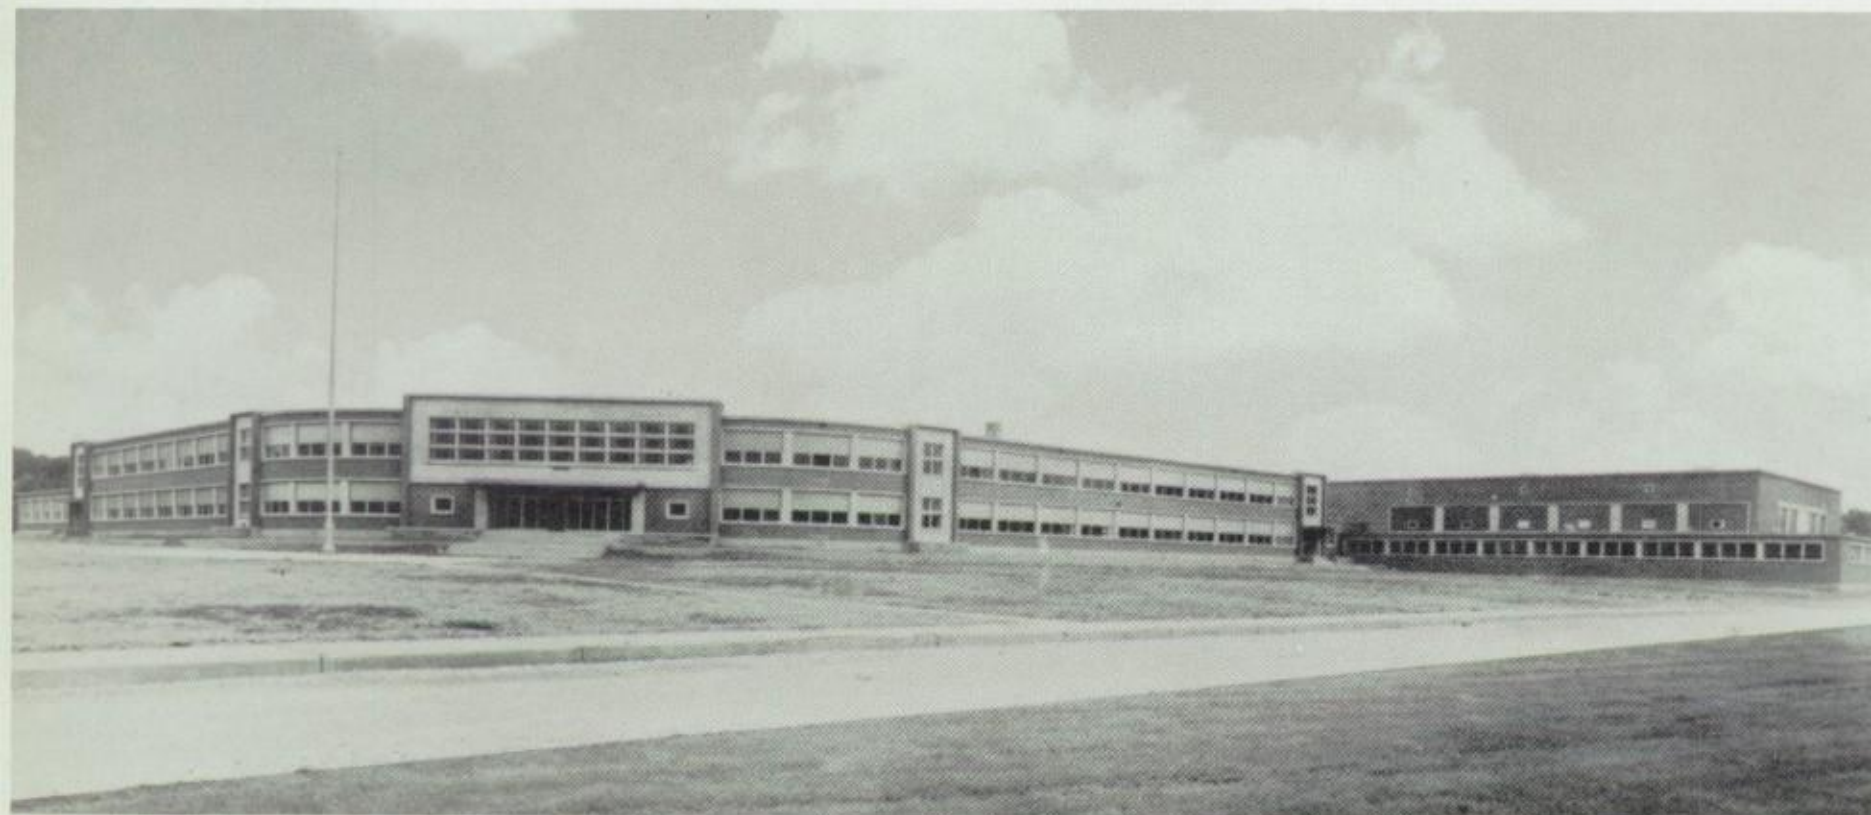

Since the initial constructions of the building a few improvements have been made. The second floor

addition was made in 1963, and the new gymnasium, wrestling room, and football locker rooms were added in 1971. The newest is the 1976 renovation of space permitted by the removal of the vocational department to Tri-Rivers Joint Vocational School. Also in this time period, the library expanded its facilities to include a reading leisure room and an audio-visual room. These two rooms replaced the East and West Study Halls.

Marion Harding High School is

named after Warren G. Harding, the twenty-ninth President of the United States. The nickname used in athletics is the "Prexies" or the "Presidents." The school colors are red and black. Harding is a member of the Buckeye Conference along with Fremont, Sandusky, Lorain Senior, Lorain Admiral King, Elyria, Findlay, and Mansfield Senior.

In 1872, Harding High had a graduating class of two. This year, the 1978 graduating class has 467 proud seniors.

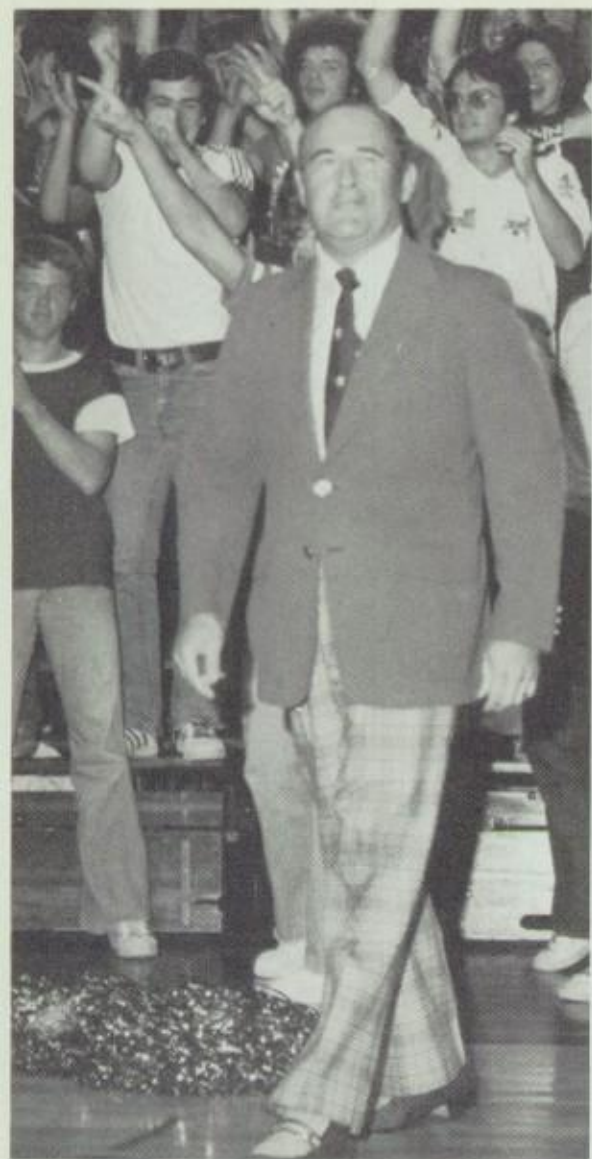

# Assemblies . . . And You Were There

Pep rallies at Harding this year were so successful that athletic teams went on to complete a very good year. School spirit ran extremely high throughout the year and everyone had a great time. Many guest speakers came to speak to interested students about their individual vocations and occupations. Assemblies at Harding this year can be deemed very educational as well as entertaining.

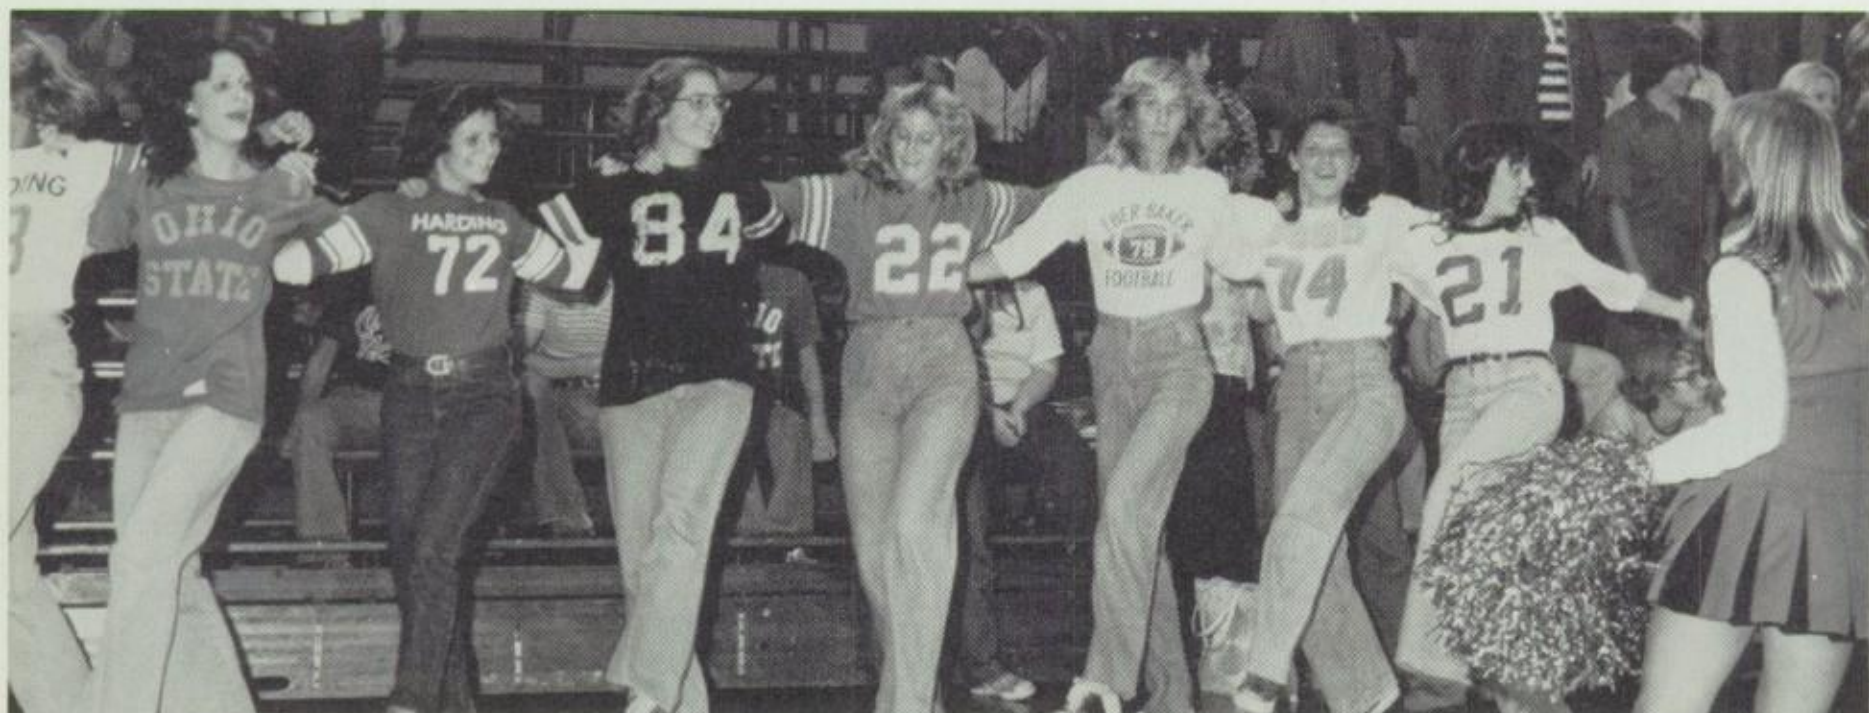

Sammy Hall came to Harding with his rock band to entertain both the students at Harding and also had two open concerts. Students were very

impressed with the manner in which Sammy Hall spoke about his dedication to religion and his "new" life.

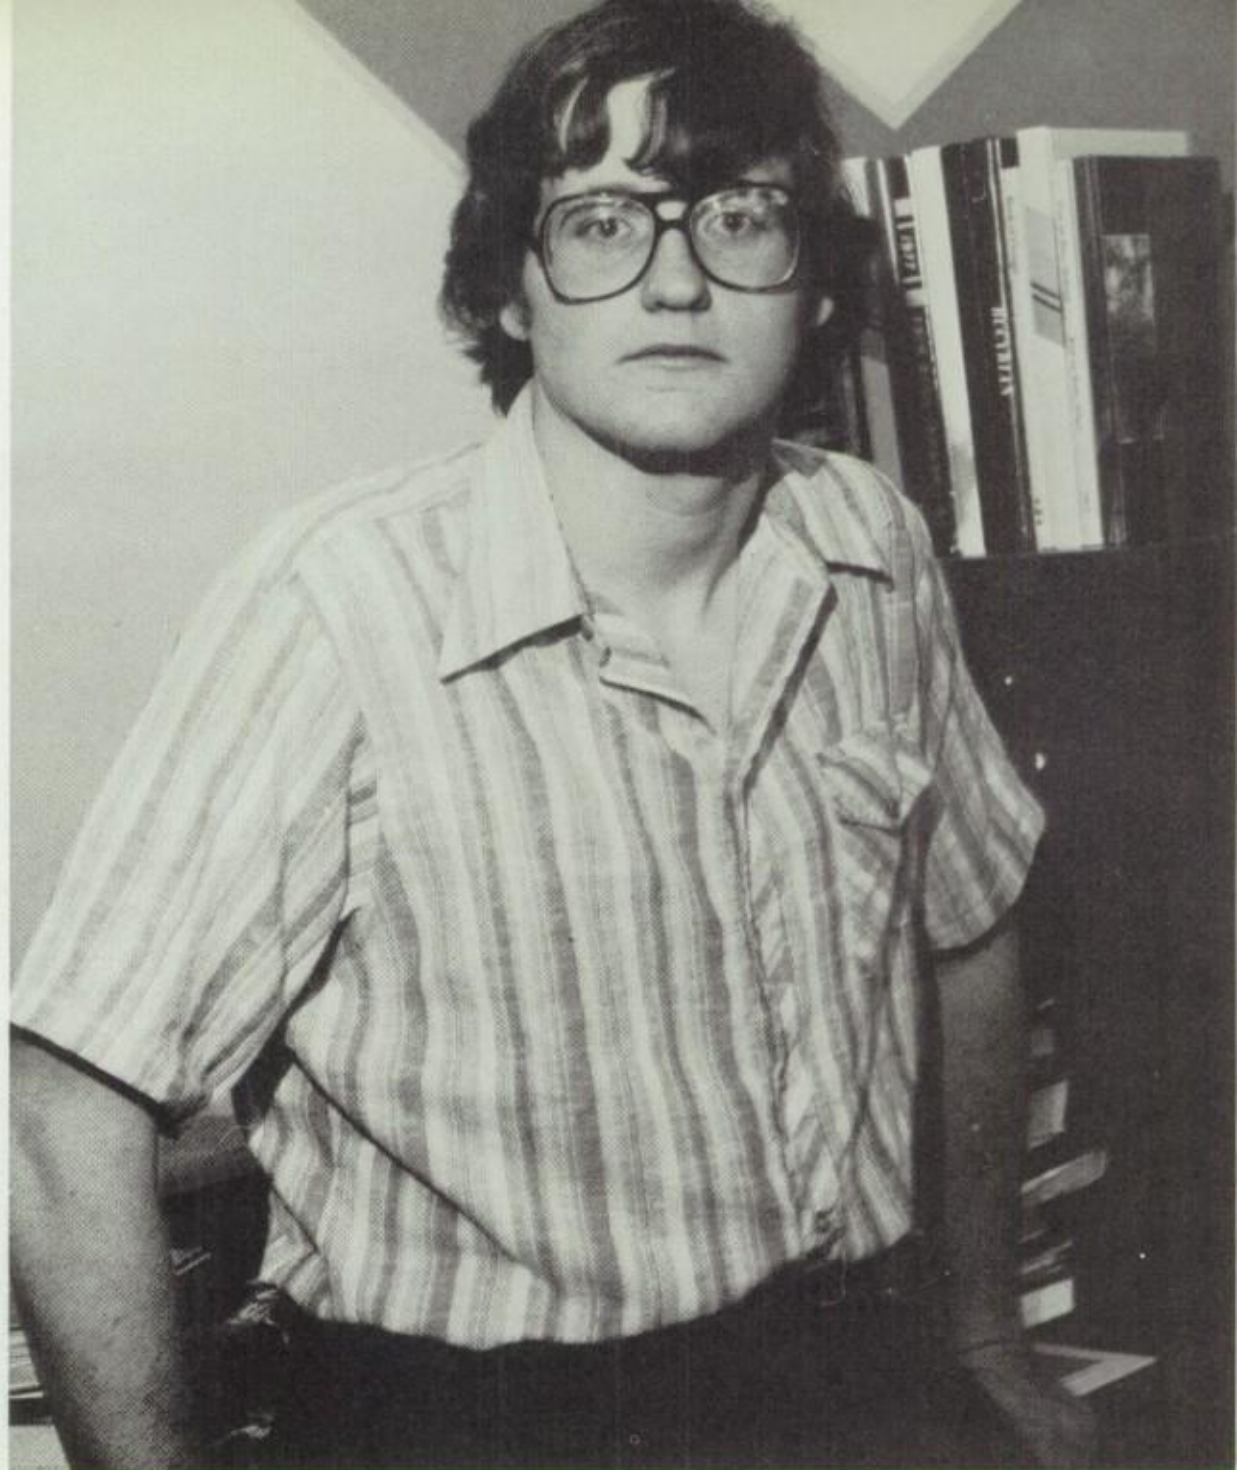

# All In The Family

Mike Veley-Sr.

Mike Veley received the National Merit Scholarship, a prestigious academic award which also gives him scholarship money for four years of college. A three-year letter winner in football and wrestling, Mike received honorable mention in the Buckeye Conference as a defensive tackle.

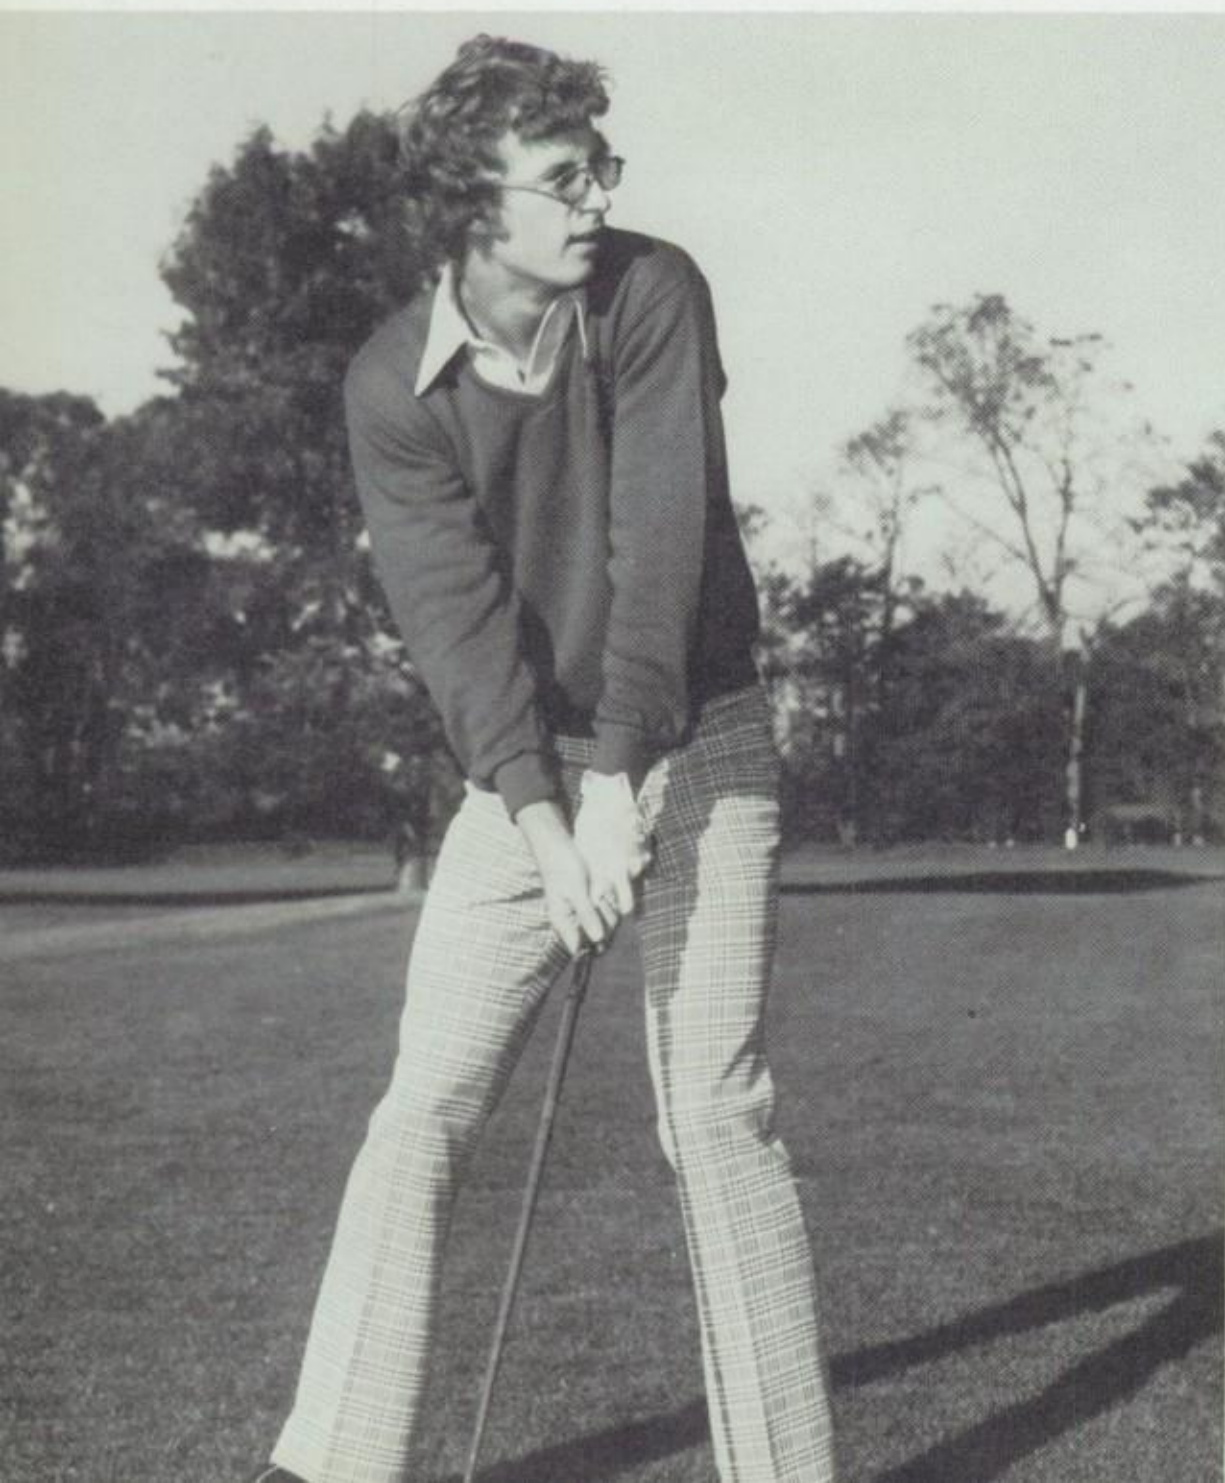

James Besch-Sr.

If one has attended any Harding choral event during the past three years, chances are that James Besch has been playing the piano. James has been playing the keyboard for seven years. Professor Richard Strassburg has been giving James lessons at Ohio Wesleyan for five of the past seven years. Music is a large part of James' high school

life. He has been in both Sweet 16 and Stardusters for two years. Also he has been the pianist for Mixed and Concert Choirs. James has performed in two solo concerts, most recently in May. The musician has been accepted at Bowling Green State University where he plans to major in science, math, or in music.

#### Dave Dudley- Sr.

Most students know Dave Dudley as the Photography Editor of the Harding newspaper, but Dave has not always been a camera buff. He got his start in 4-H, where he finally became interested in photography. 4-H has been a big part of Dave's life as he has won two scholarship trips, one to Washington D.C., and one to Chicago. Dave has also acted as a Junior Fair Board Member and a Day Leader. He has also been a member of the Mixed and Concert Choirs, Cross Country and Track teams, and student council for the past three years. This year Dave is serving as Vice-President of the Senior class.

#### Ken Hutchins- Sr.

Ken has participated in the Shadowing Program this year which gives the student a real look into any profession the student chooses. This program is set by Mr. Norm Dickman and is an extension of the Youth Economic Seminar. Ken, along with Dave Buck and Melinda Wigton, made a movie concerning this program to be shown at various high schools throughout the state. Ken plans to enter Ohio State and major in engineering.

Pat Dow- Sr.

Pat played soccer in the soccer club last fall and was on the baseball team this spring. Pat enjoys playing the piano and the bass guitar as well as reading science fiction books. He works with the American Red Cross and Christmas Clearing House. Pat is a member of the Varsity "H" club and the Fellowship of Christian Athletes. In his spare time he tutors partially mentally retarded elementary children. Pat plans to attend Oral Roberts University.

Barb Taylor- Sr.

Barb tutors second, fourth, and fifth graders at Indian Mound three times a week during study halls. She helps the students with reading and math. Barb plans to attend Bowling Green State University to major in speech pathology and audiology. Barb feels that from her tutoring experience she has learned "patience is the thing, especially with the younger children."

Jim Hoffman- Sr.  
 Jim has been a member of the Illinois Regiment of the Virginia State Troops for three years. This organization recreates the life and times of the American Revolution. They dress authentically and march to eighteenth- century music. Jim has taught himself to play the fife and is a member of the Brigade of the American Revolution. Jim has attended Tri-Rivers and majored there in machine trade.

Kalla Hutchins- Jr.  
 Kalla qualified for the most prestigious art show in the state this year, the Governor's Exhibition. She turned in an etching of a still life. Kalla has been studying art since elementary school and finds Mrs. Felgar's guidance very valuable. Kalla's future goal is to study commercial art.

## With The Snow Together We Made It Through

To get up, or not to get up, that was the main question that students asked themselves each morning during the blizzard of 1978. The answer, of course, depended upon the amount of snowfall the night before. At first everyone was excited about getting out of school, but then found that activities were limited due to the excess of the white powder. The re-opening of the schools was really a good time since friends had been separated for almost a whole week. Schools were closed on December 9, along with January 9, 10, 20, and 25-30. The actual blizzard hit Marion on the morning of the 25th. It was really a never-to-be-forgotten storm and will be talked about for many years to come.

## MARION SCIENCE DAY

Marion Harding science students had 14 superiors at the Marion Science Day. Of these 14 Marion superiors, 10 went to the District Science Day and 8 received superiors. Harding received a trophy for having the second highest percentage of superior projects at the district event. Eighty percent of Harding's efforts received the top rating.

## Science Day

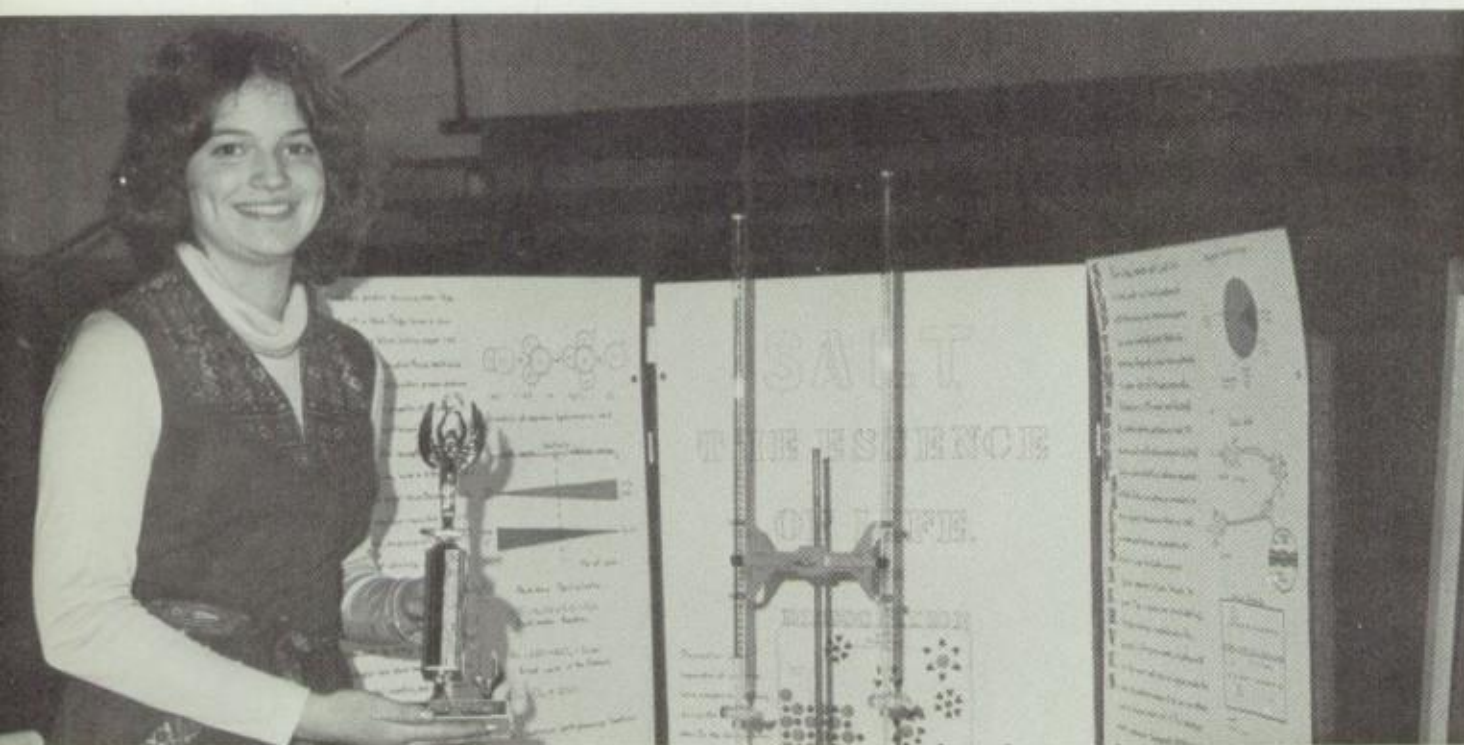

# Harding Science Day

All eight students who qualified for the state science fair went to Ohio Wesleyan University to show their projects. Four students received a rating of superior at the state event. These four students are Don Bauer, Glenn Dalton, Larry Morgan, and Beth Short. Glenn Dalton scored a first when he captured a third straight superior award at the state level. In total efforts and results, this was one of the most successful years ever for Harding students in the science fair events.

Glenn Dalton's project went on to receive a superior rating at the state fair.

## September 7

On September 7 schools opened and a year of events began. Homecoming was on October 28 with the dance being on the 29th. The play "How To Succeed In Business Without Really Trying" opened on November 10 and 12. November 15 was the date for the fall sports banquet, and the National Honor Society Banquet was held on the 22nd. "Christmas at Harding" was on the 11th of December followed by the Christmas dance on the 23rd. The blizzard of '78 hit on January 26. The 50's dance swung into action on the 10th of February. Spring break was much appreciated during the week of March 27. The 15th of April was the date for the Spanish Club Spring Dance. The winter sports banquet was held on April 24. The 29th of April had the Marion Night Relays at Harding stadium. Panorama was performed on May 12 and 13. The Junior- Senior Prom was held on the evening of May 19. Commencement exercises were performed on June 4.

## Cross Country Runner Up In B.C.

The 1977 Cross Country Team was described by Coach Myers as "very young." However, this inexperience did not show as the runners compiled a fine 7-2 record. They placed second overall in the Buckeye Conference Championships. These fine accomplishments were the result of much hard work by a team that was "dedicated and motivated" according to Coach Myers. John VanBuskirk was chosen as the Most Valuable Runner. The Most Improved award went to Bryan Chapman. Tom Humes received the Golden Guts Trophy while Tim Kohler was picked as the outstanding first year runner.

# Volleyball Team Captures 4th In B.C.

The 1977 Girls' Volleyball teams displayed much enthusiasm as they spiked their way to winning seasons. Both Varsity and Junior Varsity had good records of 10-7 and 11-1, respectively. In the Buckeye Conference tournament for volleyball, the team placed fourth out of eight teams. In sectional play the Varsity ended with a 1-1 record. Tri-Captains for Varsity were Francis Robbins, Marilyn Straub, and Kim Tozer. Speaking captain for the J.V. team was Chris Thompson. Grethe Ruud, a foreign exchange student from Norway, received the Most Improved Player award, while Kim Tozer received Most Outstanding Senior Player award.

# Girls Take 5th Place After Hard B.C. Play.

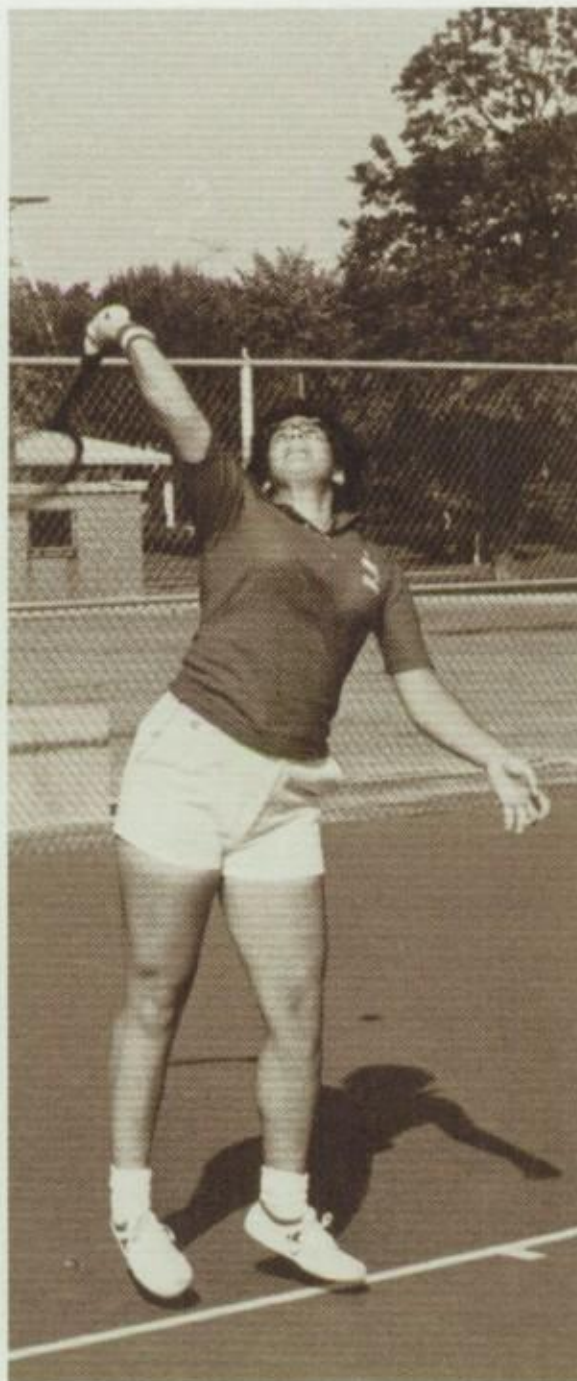

Only three lettermen returned to the team this year consisting of Missy Isaly, Kay Stern, and Ann Wagner, which left the rest of the 8 member team untested for a season loss of 3-7. But in the B.C. the girls really pulled together and took fifth place after the tough B.C. competition. The roster for the tournament was as follows; Kay Stern as first singles, Missy Isaly at second singles. The Teams of Ann Wagner and Julie Ashworth, Geri Blake and Eunice Baltbaser, played first and second doubles respectively. At the Fall Sports Banquet Ann Wagner accepted M.V.P. award for her third year in a row, while Eunice Balthaser won M.I.P.

## Harding Football Gains Buckeye Respect

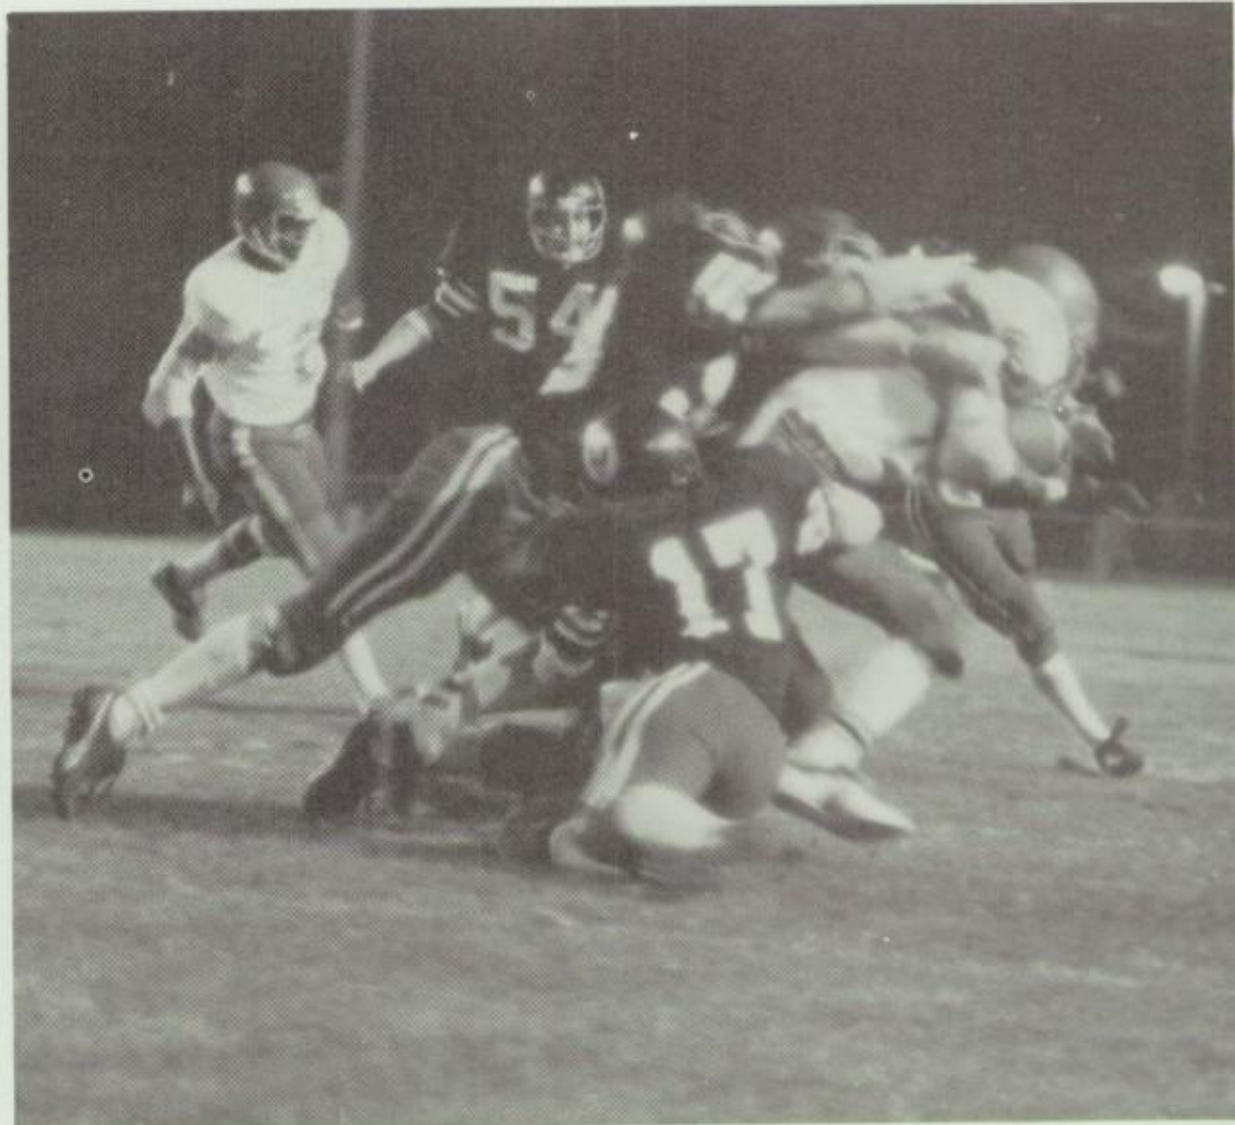

The 1977 Harding Football Team returned Marion to a predominant power in the prestigious Buckeye Conference. In its first year under a new coaching staff headed by Coach Reed, the program gained the respect of their B.C. foes. Anchored by a hard hitting defense nicknamed "Black shirts" the Presidents combined with an explosive wishbone offense to provide an excellent attack. Outstanding characteristics like being able to bounce back from injuries to key players like Kevin Russell, Jeff Keeton, and Dave Weiss allowed the team to finish better than any recent team with a deceiving 4-6 record. (2 losses by 1 point and 1 by 6 points) The Harding gridders were led throughout the season by a strong group of seniors coupled with many talented juniors and sophomores. Coach Reed called captains Paul Beach and Don Dunlevy two of the best captains he had ever had. After such season in 1977 and many starters returning in 1978 the Harding Presidents will soon be fighting for the league champions.

## Presidents Have Up And Down Season

The 1977-78 Harding Basketball Team finished the season at 5-14. The team was provided with strong leadership by seniors Dave Miller, Mark Rubcich, Torin Craig, Ray Haines, Scott Smart. The rest of the team was composed of a highly talented group of juniors. The team started off strong with a 3-3 record but was up and down the rest of the season. An example of this inconsistency was one week they played superb ball against the number one team in the conference (Elyria) and won. They then followed with a loss to the last place team in the conference (Fremont). Although the Prexies didn't end the season with a winning record they did emerge as winners because they gained the respect of other teams, the student-body and themselves.

# Tie For First In Western Division

The Lady Presidents of the 1977-1978 Varsity Basketball team closed the season with a 6-8 record and captured fourth place with a B.C. record of 4-3. Seniors Melinda Wigton and Laura Culp were the co-captains. Wigton led the team in three categories: Scoring, assists and steals. In rebounding, Stewart led on the defensive boards while Collins pulled down the most offensive rebounds. With her fine defensive, Culp forced her opponents to commit errors more often than any teammate.

The J.V. squad completed their season with a big win over Mansfield to achieve a 1-7 record, Vicki Wolf led the scoring for the J.V. squad. All the Lady Presidents felt that they benefitted more from the season than just learning how to win and lose.

# Swimmers Win League Championship

Harding was without its own swim team in the 1977-78 season; however, they were very well represented by Harding students who swam for the YMCA. The swimmers were devastating in dual meets and ended up winning the YMCA Championships. Nine Harding students qualified for the Regional Championship Swim Meet held in Cincinnati. The meet consisted of more than 1,200 swimmers from over 80 teams representing this area of the United States. The swimmers who participated were Bill Somerlot, Mark Green, Norm Ratterman, Howie Hawks, David Day, Jan Poling, Kris Willgrubs, Lisa Whelan, and Sue Wiedeman. Qualifying for the Nationals were Ratterman, Day, and Poling. Mark Green was the high scorer. The team was coached by Steve Siford who was assisted by Warren Foster. The team was led by seven seniors. It also included four juniors and five sophomores.

## Wrestlers Finish 7-4

The Harding Wrestling Team of 1977-78 finished the season with a respectable 7-4 record in dual meets. The teams placed tenth out of 16 teams in the Marion Invitational, which Harding hosted. The team was led by Captain Paul Beach. Dominick Marrocco was chosen as the most valuable wrestler after compiling an outstanding 21-5 record. Marrocco became the first Harding grappler ever to win his weight class in the Buckeye Conference. Harding was very well represented in the Sectional Tournament as Mike Veley, Paul Beach, Dominick Marrocco, and Mike Lindsey all placed in the top four of their weight class. These wrestlers then advanced to the Districts where Marrocco placed third.

## Finish Second

The 1977-78 Varsity Golf Team compiled an overall record of 73 wins, 21 losses, and 3 ties. This is the best record ever for a Harding golf squad. The team finished well in tournaments by placing fifth in the Bowling Green Bobcat Invitational, fifth at the Chillicothe Invitational, first at the Fall Classic at Mt. Vernon, second in the Buckeye Conference, Tied for first in the Sectionals, and fifth in the Districts Tournament. Ken Hutchins and Jim Ballinger both had nine-hole averages of 39, while Dave Miller, Scott Smart, and Craig Bell had averages of 41. # Track Team Has Good Year

Harding's 1978 Track Team completed a fine season with a 6-1 record. They were hampered by the late arrival of spring weather but managed to be in good shape at the opening of their season. They represented Harding well at the Buckeye Conference Championships by placing third. The team had plenty of talent this year as shown by the nine new team records set. # Boys' Tennis Team

The 1978 Boy's Tennis Team finished the year with 2 wins and 9 losses. Even though the team was young and inexperienced they showed a lot of class on the court. The team finished seventh in the Buckeye Conference ahead of Mansfield Senior. In the majority of the matches Mike Stuckey played first singles, Blair Imbody played second singles, Captain Tom Haviland played third singles. First doubles were Andy Berridge and Pete Regules, Jeff Rich and Mark Rubcich played second doubles.

# Track Team Takes It To State

The 1978 Girl's Track Team finished their season by sending four girls to the State track meet. Amy Ashworth placed third in the 440 and joined teammates Teresa Washington, Laura Culp, and Bev Andrews in the 880 medley. The Lady Presidents compiled a perfect in dual and triangular meets at 10-0, finished first in the Lexington Relays and third in the Malabar Invitational in which 20 teams participated. At the Buckeye Conference meet the team placed second behind Elyria while breaking three conference records. Amy Ashworth broke the 440 record; Darla Severns, the discus record; and Lizanne Bolinger, the mile run record. Mrs. Rubcich's team grabbed their third straight sectional championship while qualifying eight girls in seven events for the district meet. Harding qualified in two events for the State meet this year. Five three-year letter winners provided the team with leadership and helped keep spirits high throughout the season. Bev Andrews, Julie Ashworth, Laura Culp, Kathy Jackson, and Chris Thompson were this year's captains.

# One Big Family

A group of people who care about each other, who have fun together, and who enjoy making music are members of a family. The one big family of Harding High School is its Marching Band. The head of the family, Director William Swihart, was very pleased with the great effort the band put forth in learning the shows in a short time and giving great performances. This year the band played many more difficult shows, for example, the Blue show given at the Homecoming game. The band featured a greater variety of movements in "That'll Be The Day" and "Boogie Blues." The newest addition to the band family was the flags. They added a great visual improvement to the half-time shows with the help of Cindy Edler. It was a great season of togetherness for the "one big family" of Harding Marching Band.

Sandy Wright shows some real dedication.

# This Could Be The Start Of Something Big . . .

With underclassmen, fellowclassmates, teachers, and administrators, the Senior class of 1978 has learned much, has taught much, and has shared much. For the second year in a row, the class of '78 won the spirit chain contest. The Seniors also come out on top in the annual Turkey Bowl, and the first annual Cancer Drive. Continuing throughout the year, the Senior's zest was responsible for the most successful Youth in Government Day so far. The excellent outcome at the year-end Senior activities further displayed an important lesson learned by the Seniors the lesson of what can be done when people combine their efforts to join as one. The presence of the Senior's of '78 will be deeply missed, and their absence greatly felt. A warm and sincere congratulations for all of their many accomplishments is well deserved along with a hearty good-luck for their future endeavors.

# Senior Spirit Dominates Harding

The Senior class of 1978 was unique in many ways. This class; through many trials, tribulations, and great times, learned the true meaning of friendship. Past grade school and middle school acquaintances were once again reunited and brought closer by various common bonds only established in ones Senior year. Not only did this class become more united within itself, but it brought the whole school closer together. The outwardly friendly personalities of the Seniors willingly included underclassmen in most everything. As a result of this closeness experienced by all three classes, a deep sense of pride filled the halls of Harding; a feeling almost forgotten in past years. The spirit and enthusiasm generated by this Senior class was a great asset to Harding.

# Turkey Bowl And Powder Puff Are Senior V-I-C-T-O-R-I-E-S!!

Once again, following tradition, the Seniors won both Junior-Senior class football games. The girls powder puff game was played first on the band field. For the first time the girls played tackle. Many people attended the game to see the Seniors win by a close score of six to nothing. Both classes played well but the Seniors came out on top. Positions were alternated with Julie Ashworth, Sue Wiedemann and Terri Simmons filling in the Quarterback position. The boys Turkey Bowl was played on the football field in 3 inches of snow. Both classes had good participation and everyone got a chance to play. But the Seniors did come out on top. The class of '78 wishes next years Senior the best of luck and to follow in the Senior tradition and WIN!!

# Seniors Run City Government

On May 3rd, seventy-four Seniors left the halls of Harding and entered City Hall to learn how Marion is run. Final elections were held with Seniors using the electronic voting machines for the first time. The Republican party swept the election with only two Democrats and one Independent elected to office. For the first time an Independent, Scott Harden, ran for mayor. Scott was elected into the head slot over Rep. Dan Ericson and Demo. Ray Haines. Other winners of the election were; Solicitor Dave Buck, Auditor Jack Randolph, Treasurer Kim Tozer, Municipal Judge Pete Regules, John Ludwig served as President of City Council. Melissa Isaly, Melinda Wigton, and Barb Taylor were elected council persons-at-large. Other members of council were ward representatives; Starling Reece, Terri Nickles, Dan Duhl, Loretta Sherer, Jon Willauer, and Don Bunker.

## Guilty Or Not Guilty

Do you think that English III C.P. is boring? Definitely not. The unbelievably dynamic students in room 212, period 3 acted out a mock trial in which Ralph Waldo Emerson was charged with treason. The people claimed that he had betrayed his country in his writing. Prosecuting attorneys Jenny Coldwell and Kathy Korte defended the people and defending attorneys Steve Toney and King Tway represented the defendant Bob Mulvaine. Each side boasted three witnesses. For the prosecution Kelly Williams, portrayed with extraordinary fervor by Jenny Fredritz, told of hearing Emerson (Bob Mulvaine) give a speech at a nearby university, which obviously reflected the bitter taste of Communism; Emerson's former fiance Penelope Jamestom, portrayed with artery-hardening revolt by Diane Asrouch, greedily abandoned her ex-lover and accused that he had turned his back upon God in order to spread his socialistic views; and finally, Linda Miles, performed spectacularly by Vickie Hoffman, said that he was brainwashing people and using his position to sway the opinion of the nation's

youth. Although these performances were tremendous, Toney and Tway executed legal brilliance as they cross-examined the witnesses for the prosecution and called their own choice witnesses to the stand. For the defense Bob Fields took the stand as Robert Hollensworth, an expert literary critic who appeared to know as much about Emerson's literature as Bob Fields. Amy Bates gave the performance of her life (mainly because it was the only) as Emerson's nurse. She described her patient as being physically ill, but not insane. And then, the moment of truth came to pass as Emerson himself, a tired and weary man with a broken heart, took the stand. As he eventually broke down in tears, he was returned to his seat via wheelchair. Suddenly, surprise witness, Kelly Williams returned to the stand and demanded that Emerson was violating the Constitution, degrading it to nothing more than a piece of paper. The jury left to discuss the facts. When they returned Foreman, Chuck Zwolle said, "The jury finds the defendant, Ralph Waldo Emerson, not guilty, due to lack of evidence."

"Fantasia" was the theme for this year's prom. The decorations were extremely imaginative and showed every kind of fantasy possible. The prom began at 9:00 P.M. with dancing at the Armory until midnight. The Phyl Miller Band provided the music and parents were invited to view the Grand March at 10:00 P.M.

members of Marion's service clubs. They saw the movie, "The Sting," starring Robert Redford and Paul Newman. The couples returned to the Armory at 2:00 A.M. with the music provided by the Kevin O'Rourke Disco Road Show. This was the last prom for Mr. Harold Hazelett, prom advisor, who is retiring. Mr. Hazelett has helped with many proms and will be greatly missed.

# Getting Fired Up

Pep assemblies this year once again were evidence of our school spirit. Sophomores gave their maximum support at these rallies. Pep Band, Pep Club, and Cheerleaders led the enthusiasm of the student body. Speeches by Coaches Reed and Pasci highlighted the assemblies. A special '50's day assembly provided nostalgic fun and excitement for all.

Look out world, here come new drivers, but even though they are new, they have had training. For the first year a multi-media computer system was in use. Each pupil had a response unit to respond to almost life like situations. Put this together with the on-the-road training and a student driver will give one a much better chance of survival.

# Youth Economic Seminar

Tom Nelson

This year's YES was once again a great success. Students were sent to various businesses and industries to learn first hand how these organizations influence the economy from local to national levels.

Spirit at the Freshman Building- The class of 81' show their enthusiasm, and spirit in everything they do, and always seem to come out shining. Popcorn sales to make money for assemblies, Quiver sales, Science Fair projects when Todd Jolliff, and Craig Lewis received a perfect grade 8 of 40, and the Right to Read week with 15 certificates for achievement all show Freshman spirit. Truly the 640 students at the Freshman Building are tops.

# Credit Where Credit Is Due

1. Mr. Hazelett—Out of a total of 31 years of teaching, he spent 24 of them at good old Harding High. Mr. Hazelett was active in numerous activities. He has been in charge of the prom for two years, advisor of the Hi-Y Club for five years and the Senior Party since 1959. Mr. Hazelett was also the Play Properties Chairman for 12 years, Advisor of the Future Engineers since 1956, Chairman of the Faculty Club for two years, Judge for the Science Fair, and president of the Central Ohio Math Teachers Association. What Mr. Hazelett enjoyed most was being active with the students. He thinks a teacher should "Convey the material." "I feel that a good rapport is necessary so that the students will be receptive to learning the material." 1. "Happy Hal" shows his enthusiasm at the 50's dance. 3. Mrs. Reeser—"Of my 28 years of teaching, 19 of these have been at Harding. I have taught health, chemistry, general science, and biology. I have been involved in science-related activities. From 1962-1968, I was advisor of the Math-Science Seminar. I have seen it all happen! From Sputnik to now; Sputnik put emphasis on the areas of science and math. The upheaval during the 60's in the colleges and the influence these events had on our high school students was very pronounced. The changing attitude of the teenagers toward school, teachers, parents, and society was obvious. The teacher had to acknowledge these changes if she were to have rapport with the students and enjoy teaching. The past several years have been the most enjoyable of my teaching career. I have seen the great change from 1959-1978. I wouldn't have missed it!"

# A Colorful Year Of Activities

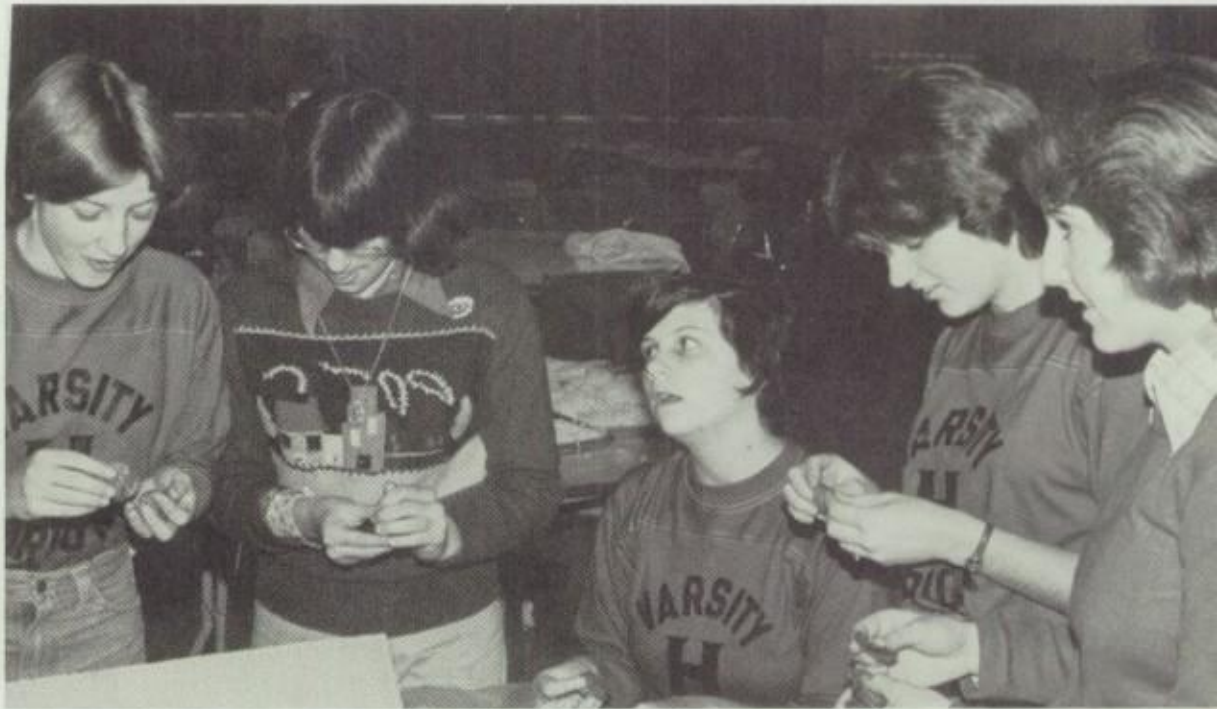

# For Harding's Many Clubs

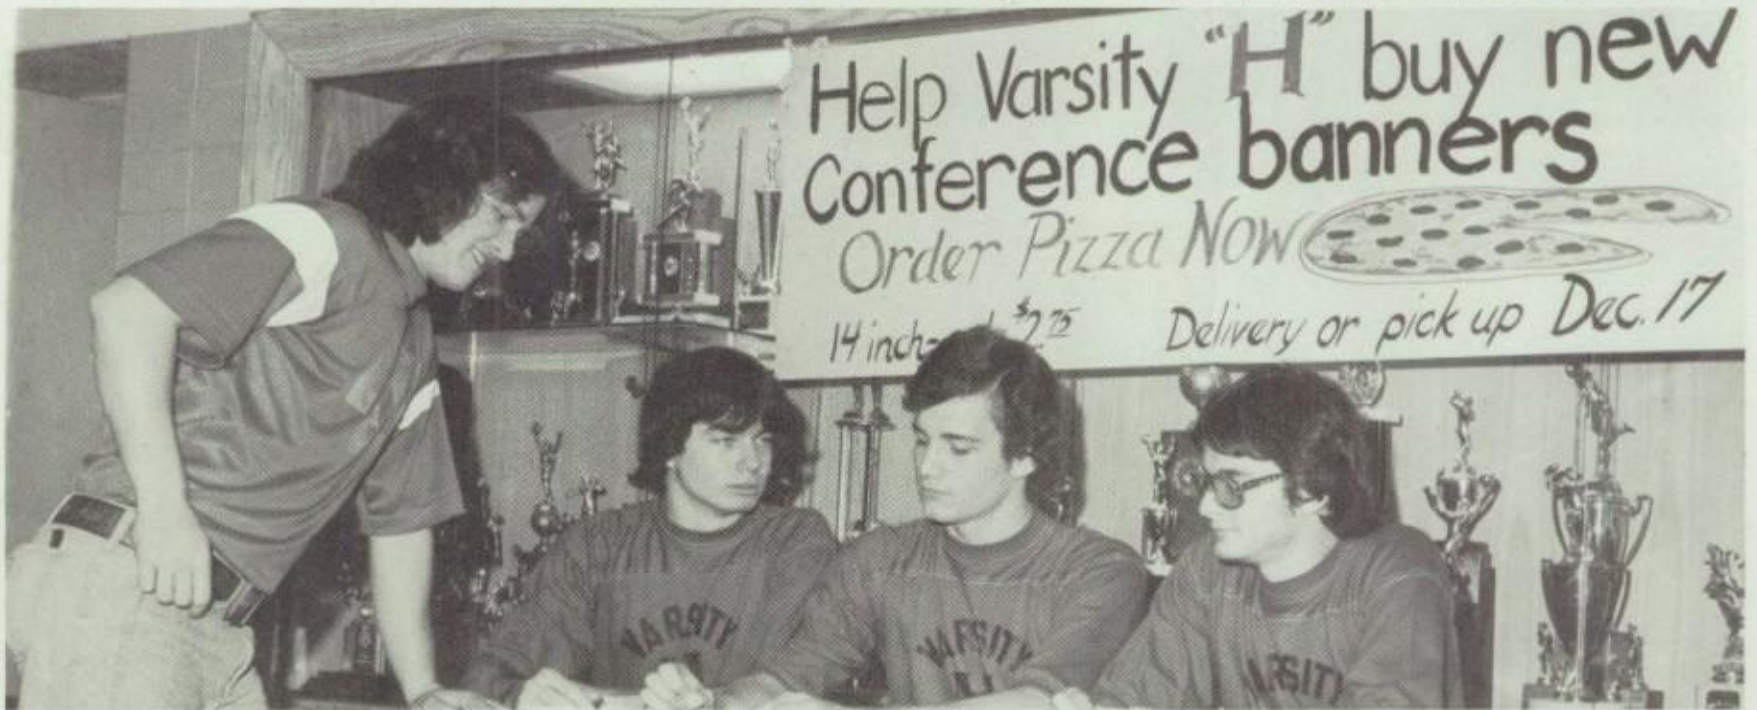

## Varsity H Club Comes Back Strong in 76-'77' season.

The 1977-1978 school year was the first active year for the Varsity H Club after an 8-year lay off. The purpose of this organization, stated Coach Hecker, is "To foster and promote the athletic program and to develop sportsmanship and camaraderie among teams." There are approximately 100 members in Varsity H, and the only requirement is to be a Harding letter winner. This year they had a pizza sale and used the funds from this to purchase the new conference banners in the main gym. Members also purchase Varsity H t-shirts to wear at pep assemblies and other sports events. The advisor for this year's Varsity H club are Mrs. Rubich and Mr. Merchant.

# Quiver Staff

Editor-in-Chief Scott Smart

Editor-in-Chief Mike Stuckey

The Quiver derives its name from Indian Mounds which is on the school grounds. Some former advisors were Miss Mary Jo Stafford, Mrs. Barb Truka, and Mrs. Karen Hamilton. This year the Quiver has become the largest yearbook in the history of Harding with over 280 pages. The staff sold ads and met deadlines. They also bowled, ate pizza, roller skated, and disco danced. In the spring, a mock senior awards breakfast is held for seniors on the staff; Juniors cook, sophomores serve, and Freshmen wash dishes.

Row 1- Mrs. Piacentino, Gina Smith, Kim Kirts, Jody Murray, Amy Bates, Jim Hoffman Row 2-Beth Armstrong, Diana Mason, Lynne Gattshall, Denise Mitchell, Lisa Williams Row 3-King Tway, Melinda Wigton, Mike Stuckey, Melissa Isaly, Howie Ludwig, Laura Egg, Nancy Peters, Beth VanGundy, Susan Evans, Bill Rall, Row 4-John Ballinger, Bill Somerlot, Jeff Hackenbracht, Brad Walker, Ken Hutchins Row 5-Carl Worley, Scott Smart, Randy Green

Music Ed. Nancy Peters; Soph Ed. Bill Rall; Bus. Mgr. Ken Hutchins; Jr. Ed. Amy Bates; Row 2, Jr. Ed. Laura Egg; Frosh Ed. Jody Murry; Sports Ed. Geri Blake; Clubs Ed. King Tway; Row 3, Art Ed. **WHAT'S AN  
AGENCY LIKE  
HOWARD SWINK  
ADVERTISING  
DOING IN  
MARION, OHIO?**

What we need in this part of Ohio is a nice new motel on the expressway near Marion—about halfway between Waldo and Fostoria.

What would we call it?  
The Waldo-Fostoria,  
of course.

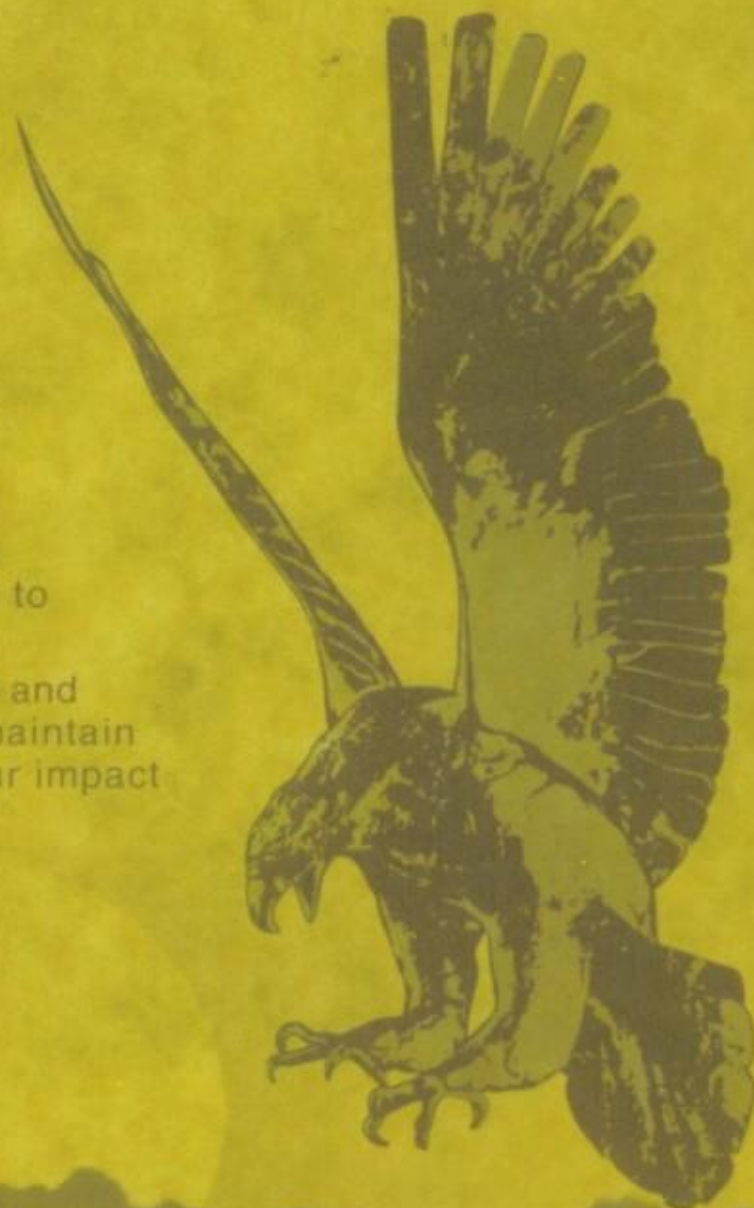

## ***We believe in tomorrow***

We know the way we do business today will be reflected in our ability to meet tomorrow's human needs.

One challenge is to improve existing products and to find new ways of meeting the needs of a society growing ever more complex. Another is to provide good business leadership.

Whirlpool people will continue to design, build and service quality home appliances. And we will maintain our awareness of the social responsibility of our impact upon today and tomorrow.

Thinking ahead is our key  
to staying ahead

The background of the page is a monochromatic photograph in shades of yellow and green. It depicts a natural scene with several pieces of weathered driftwood scattered across a sandy or silty ground. In the foreground and to the right, there is a dense patch of tall, thin grasses or reeds. The lighting creates strong shadows, giving the scene a textured and somewhat somber appearance.

The Quiver thanks everyone who contributed to the success of this book. We owe particular gratitude to John Rall and Louise Pohler at Hughes Studio, to Connor Yeager for designing the '77 and '78 covers, and to all teachers and administrators who let us work when we had to and let us have fun because we needed to.

# So It's The Laughter We Will Remember Whenever We Remember . . . The Way We Were

Mike Stuckey-Editor-in-chief- "Mrs. Piacentino seems to have a bad temper. Why does she blame me for everything?"

Scott Smart-Editor-in-chief- "Everyone waits until the last minute and then needs help. I spent two weeks asking people how their sections were going. Today is a nightmare."

Ann Bates-Jr. Editor- "Oh, no! I dropped 50 mug shots down the register. Go get the janitor!"

Laura Egg-Jr. Editor- "I'd like to get somebody to type who knows how to use a typewriter."

Nancy Peters-Music Editor- "I found my pep band pictures that I had lost, or someone stole. I wish I hadn't already done the pep band page."

King Tway-Clubs Editor- "I've got my entire section done. What? I had to mark page numbers and type copy too."

Missy Isaly-Senior Editor- "You knew I'd come through with pages. Why do you worry so much?"

Jody Murray-Freshman Editor- "We lost all the football pictures."

Denise Mitchell-Freshman Editor- "Does Mrs. Piacentino get mad at anyone besides me?"

Lisa Williams-Freshman Editor- "I'm not saying anything to get her mad at me too."

Bill Rall- Soph Ed. and Photographer- "I've got other things to do besides the Quiver, Mike. Why don't you do some work around here too?"

Beth Van Gundy-Soph. Editor- "I'll go get bonds if you give me some money."

Susan Evans-Faculty Editor- "So far ten members out of 70 have had their pictures taken. How am I supposed to do my section?"

Geri Blake-Girls Sports- "So, can you get me out of English, history, accounting, and science so I can go to McDonalds? Oops, I forgot to check on progress."

Tim Lee-Vocational Editor- "I'm finishing up my pages and getting my section done."

Jim Hoffman-Vocational Editor- "I got some funny ones for the Quiver. So I wrote funny ones. Do you mind?"

Bill Somedot- Soph. Editor- "I've got 100 pictures on base all when I have only one picture."

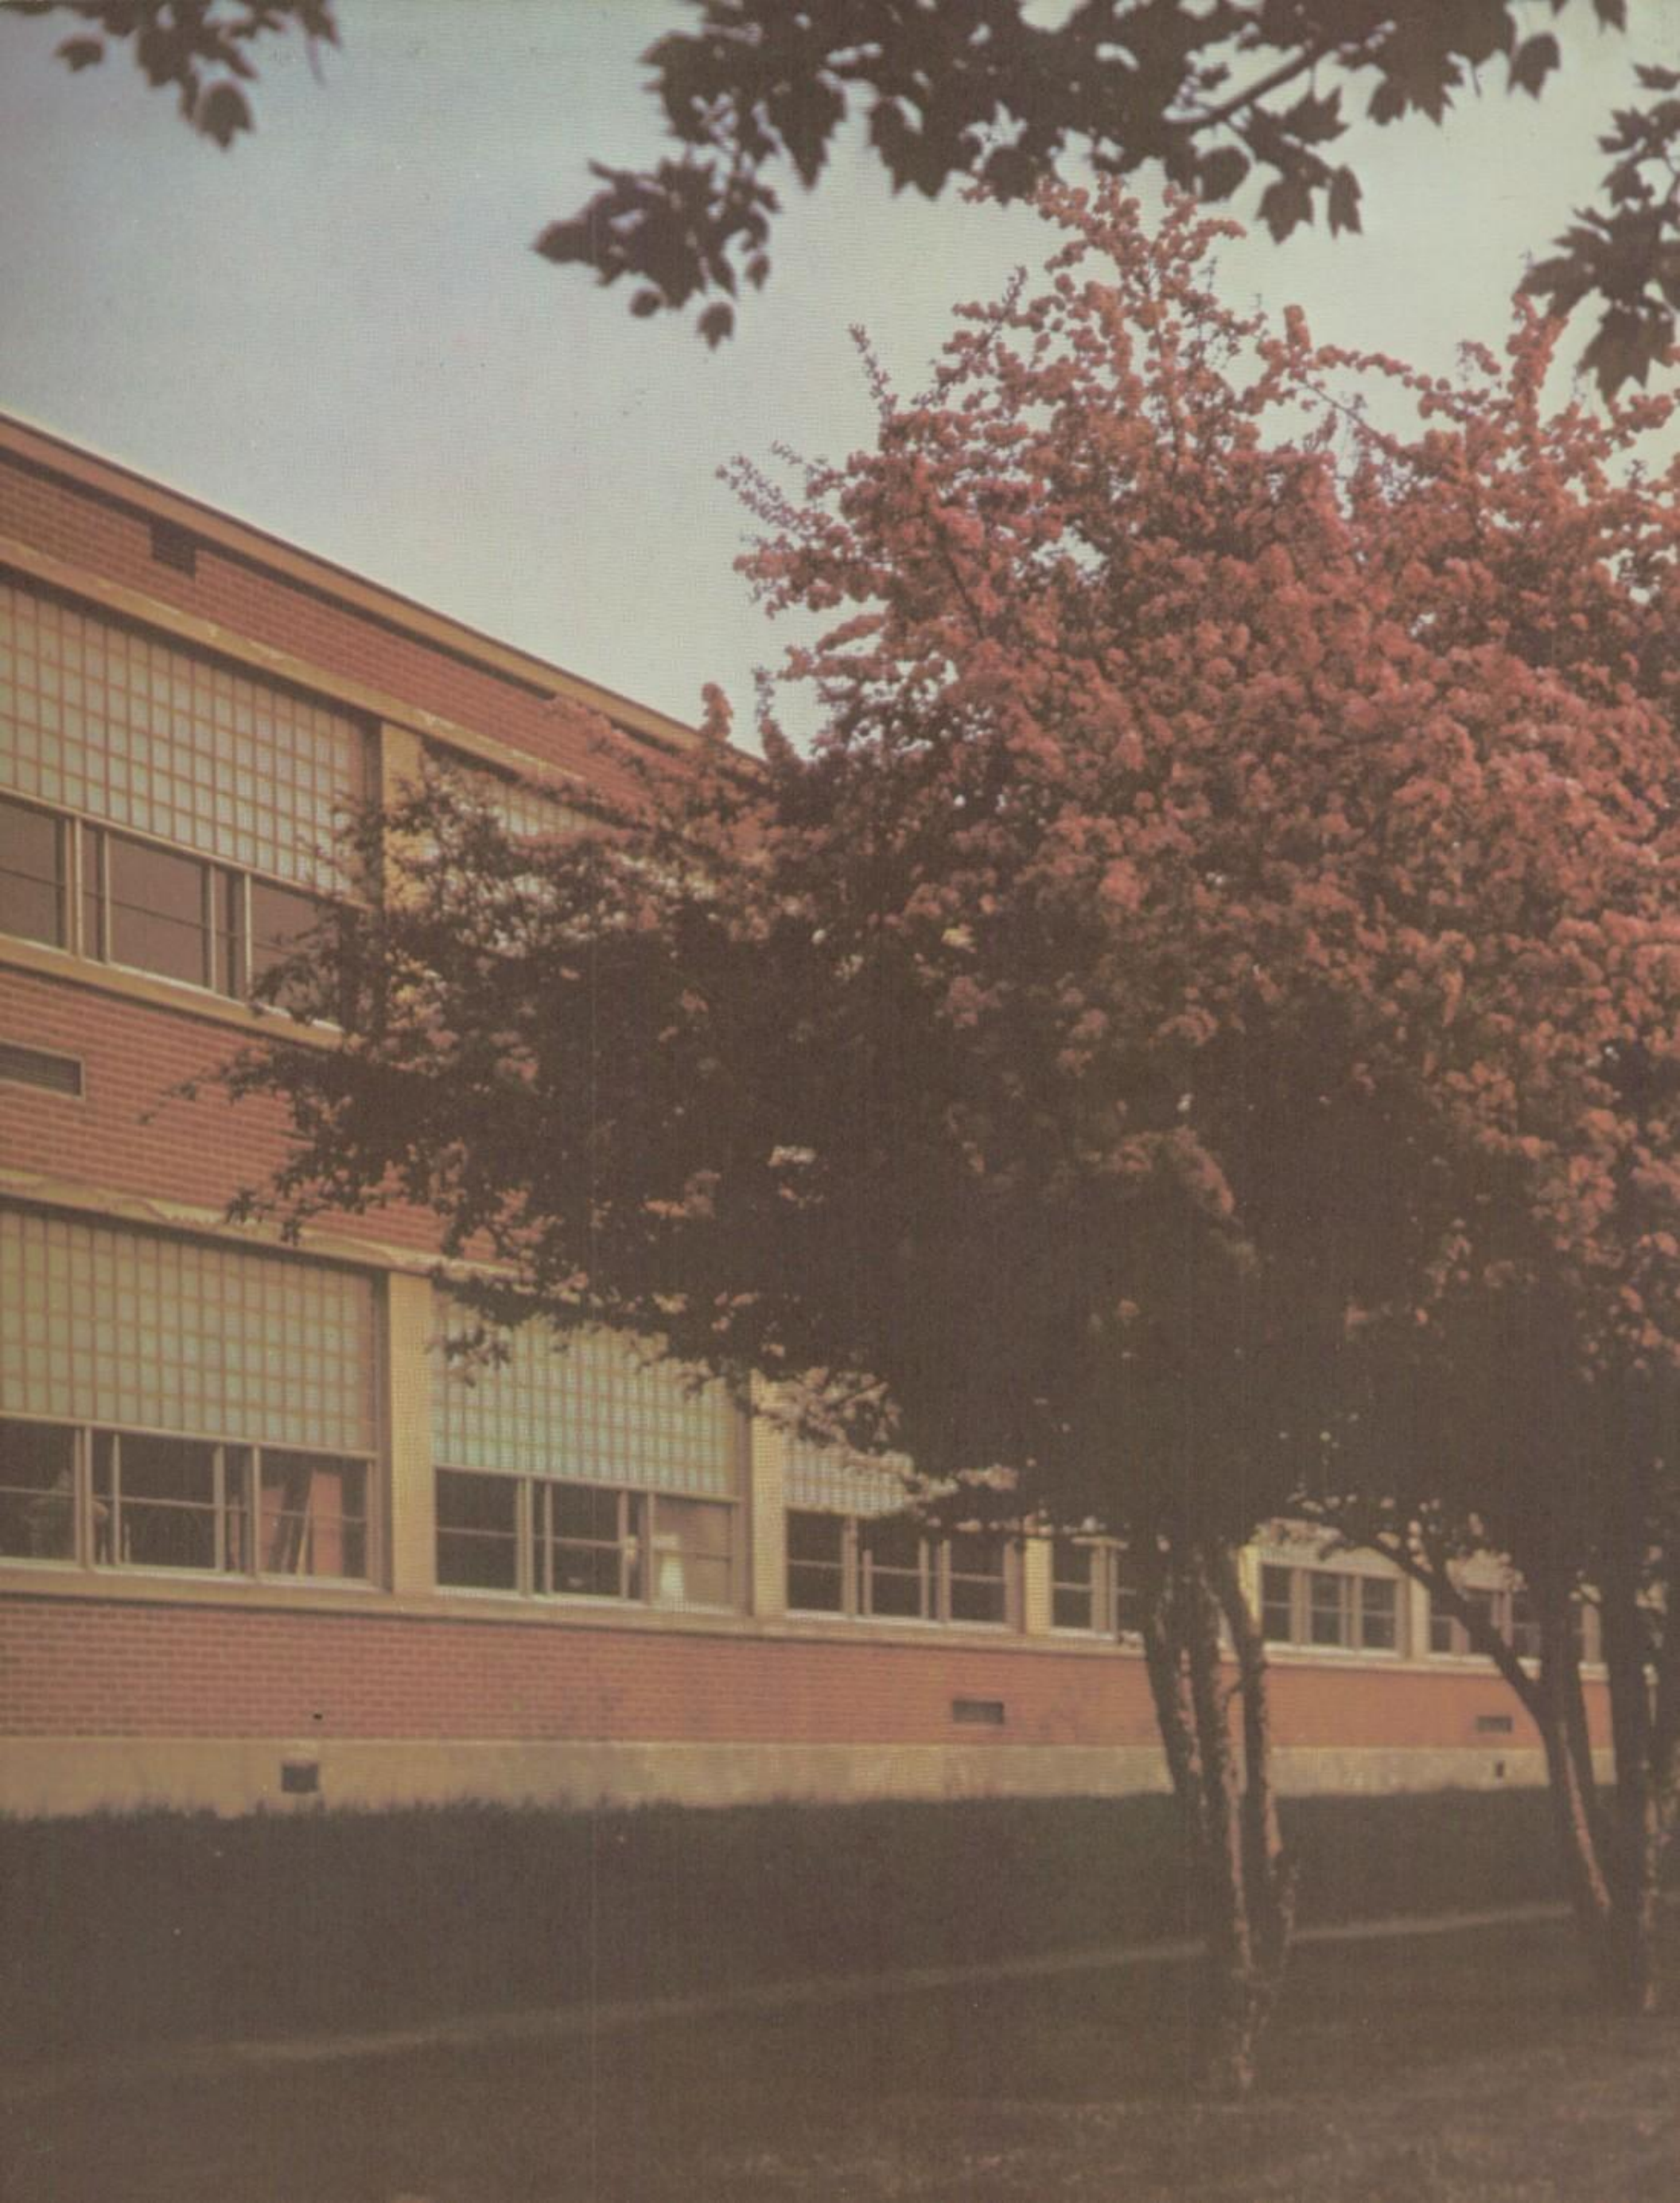

Ken Hutchins-Business Manager- "I'm going to be in the store for 4 1/2 hours and I am going to lighten on my cash register for 10 minutes."

Dave Buck-Business Manager- "I'm going to get a lot of money for the yearbook."
